

Please Take One Per Family

Frequently Asked Questions at Try-Outs

1) How will I know if my child was selected for a team?

Answer: You will be notified by email within a week after the last practice/try-out date as to whether you were selected or not.

2) What are the fees to play with SYE?

Answer: Club dues for the 2018 season are \$950 per player. These dues do not cover hotel fees or transportation costs as well as food when we travel outside of San Antonio for the athlete or their family traveling with them. Those items are provided by the parent/guardian.

3.) Are your coaches paid staff?

Answer: No, our coaches are volunteers who love the game and want to see young women make it to the next level or at the very least play to their best ability. Coaches take place in fundraisers also to offset their travel expenses.

Other things to consider:

-We are a Fellowship For Christian Athletes (FCA) affiliate.

-All players can be moved from team to team as needed in their high-school or middle school divisions as deemed necessary.

-Gym locations for practice- Each week you will receive an email to let you know where and when practice locations are for each team.

-We will have various fundraisers throughout the year to help offset the cost of running a travel team. There will be team as well as individual fundraisers. We also have payment plans with set payment due dates. If a minimal of half of the dues have not been paid by April 1st, the player will not be allowed to travel with the team to out of state or out of city tournaments until paid.

-A uniform and shooting shirt will be issued to each player, however, it is to be returned at the end of the season or should a player decide to leave the program before then, whichever comes first.

-SYE athletes can ONLY play for their school team and Sophia Young Elite. You cannot play on another AAU, club team, or other organized team in the same season. No exceptions.

-If selected for a team, we will have a parent's meeting where more information will be available.
